

I, \_\_\_\_\_, acknowledge and understand that the thermostat installed at my home at \_\_\_\_\_, on \_\_\_\_/\_\_\_\_/\_\_\_\_, was provided as a replacement of the PeakRewards thermostat. I am aware and in agreement that a PeakRewards device was installed on my outdoor HVAC equipment, which enables me to continue participating in the program. I also agree and understand that BGE cannot control the thermostat installed at my home, and thus it is my responsibility, not BGE's, to maintain the thermostat.

I acknowledge that at the time of the installation, the technician confirmed with me present, that all system modes work correctly. I understand that I am responsible for any device issues including, but not limited to, device failure or replacement. BGE in no way warrants or guarantees any future performance or operation of the thermostat, and customer hereby agrees to release and hold harmless BGE and its respective employees, agents, and representatives from any and all claims, liabilities, and damages resulting from, or arising out of any devices issues with the PeakRewards thermostat.

By signing this acknowledgement, I also agree to the BGE PeakRewards terms and conditions for program participation. These terms and conditions can be found and reviewed at: [www.bgesavings.com/resources](http://www.bgesavings.com/resources).
